The consolidated financial results also includes the Group's share of loss after tax of Rs 0.003 crores for the Quarter ended June 30, 2014 as considered in the consolidated financial results, in respect of an associate, based on their interim financial statements/information/results which have not been reviewed/audited by their auditors. These interim financial statements/information/results have been certified by the Management of the Company and our report on the statement, in so far as it relates to the amounts included in respect of these entities, is based solely on such certified interim financial statements/information/results. Any adjustment to these interim financial statements/information/results could have consequential effects on the attached statement.
