Subject: Data on export of sugar during Sugar Season 2021-22-reg.

Madam/Sir,

As you are aware that in past few years, sugar production in the country has been consistently more than the domestic consumption thereby creating surplus situation. With a view to address the problem of surplus sugar in the country, the Central Government has been encouraging sugar mills to export sugar.

2. Government, with a view to facilitate export of sugar has been providing assistance to sugar mills for export of sugar in past. However, considering the fact that the international prices of sugar have considerably increased during past few months and indication of global sugar deficit; this Department vide letter no. 1(6)/2020-SP-I dated 18.08.2021 advised all the sugar mills to export maximum sugar from the country in the sugar season 2021-22 and to take advantage of high international prices and global sugar deficit.

3. In this regard, export data is being maintained in the Directorate in order to take any appropriate decision at appropriate time if needed. Therefore, it is requested to furnish data on export of sugar in current Sugar season 2021-22 as per the proforma enclosed. The information may be sent by 7th day of every month through email at: dtesug.fpd@nic.in and [cgsugar.fpd@nic.in](mailto:cdsugar.fpd@nic.in) at the earliest.

4. Further, if a sugar mill does not submit its data on export, it would be presumed that the concerned sugar mill has not signed any contract or exported any quantity at all.

Yours faithfully,

(Jitender Juyal)
