Dated the 2<sup>nd</sup> June, 2025

To,  
CEOs/MDs of all sugar mills

**Subject: Guidelines for submission of monthly P-II by the sugar mills-reg.**

Madam/Sir,

I am directed to say that the integration process of ERP/SAP systems of sugar mills with the NSWS portal, via APIs was initiated with the aim to ensure real-time data availability, improve data accuracy, and eliminate redundant data. During the month of May-2025, 467 sugar mills shared their April-2025 P-II form through API. Also, remaining mills are developing their module to integrate their system with NSWS through API.

2. Now, to streamline the process of filing of monthly P-II returns, the following timelines will be implemented with immediate effect:-

- i. Sugar mills which have completed their API integration with NSWS portal, shall submit their monthly P-II by **15<sup>th</sup> day of every month**.
- ii. The sugar mills which are not able to file P-II by 15<sup>th</sup> day, due to technical issues or are in the process of API integration, may be allowed to file their P-II till **20<sup>th</sup> day of every month**, on case to case basis. The concerned sugar mill is required to make their request for the same through email.
- iii. NSWS portal will be opened from **16<sup>th</sup> to 20<sup>th</sup> day of every month**, for manual submission of P-II for the sugar mills which cannot completed their API integration with NSWS portal and not whitelisted on production server.

3. In view of the above, you are hereby directed to comply with the above timelines for filing of monthly P-II return, in letter and spirit. In case, any sugar mills fails to comply with above timelines, no monthly release quota of sugar will be allocated from July-2025 onwards.

Yours faithfully,
