

F.No.1(4)/2025-SP
Government of India
Ministry of Consumer Affairs, Food & Public Distribution
Department of Food & Public Distribution (DFPD)

Krishi Bhawan, New Delhi
Dated the 14th November, 2025

To

All Sugar Mills.

Subject: Sugar mill-wise Export Quantity of sugar for export in Sugar Season 2025-26-reg.

In exercise of powers conferred by Section 3 of the Essential Commodities Act, 1955 (10 of 1955) read with clause 6 and 7 of the Sugar (Control) Order, 2025, Government has decided to allocate export quota of 15 LMT of sugar for sugar season 2025-26.

2. Export quota of 15 LMT has been allocated on pro-rata basis amongst operational sugar mills by taking into account their average production of sugar during last three sugar seasons.

3. All grades of sugar can be exported by a sugar mill /refinery/exporter upto the extent of quantity mentioned in the **Annexure**. Export quota of 15 LMT have been pro-rated amongst those sugar mills which operated in at least one sugar season amongst the last three sugar seasons by taking into account their average production of sugar during the last three operational sugar seasons i.e. 2022-23, 2023-24 and 2024-25 in following manner:-

Average production of a sugar mill in last three operational Sugar Seasons x 15 LMT
Average production of sugar by all sugar mills in last three sugar seasons

All the sugar mills have been allocated a uniform export quota of 5.286% of their 3 years average production of sugar. Sugar mill wise export quota is at **Annexure**.

4. Modalities to undertake export of sugar are as under:-

- a. Sugar mills can export quantity of sugar mentioned in Annexure either themselves or through merchant exporters/refineries from the date of issuance of this order until 30.09.2026. The last BL (Bill of Lading) date shall be on or before 30.09.2026.

- b. Further, if any mill does not wish to export its allocated quantity of sugar, they may surrender their quota by 31.03.2026. DFPD may reallocate or redistribute such unutilized quotas to mills with better export performance or to willing mills.
- c. Further, sugar mills may also be allowed to exchange their export quota (partially/ whole) with domestic quota of any other sugar mill till 31.03.2026. Exchange of export quota with domestic quota would reduce transportation cost involved in export of sugar & movement of sugar from one state to another for domestic consumption. For example, if a mill in Punjab or Uttar Pradesh, far away from the port, does not wish to export due to higher transportation cost involved, it can exchange its export quota with monthly domestic release quantity of any other mill located nearer to the port.
- d. Modalities for exchange of export quota quantity with the quantity of monthly release quota are as under:
- i. Those sugar mills who do not wish to export the allocated quantity (whole/partial) allocated to them as per **Annexure**, may exchange their export quota quantity with the monthly release quota of any other sugar mill which is willing to take the additional export quota quantity for export.
 - ii. The sugar mills involved in such exchange of their export quota with domestic monthly release quantity are required to enter into an agreement and submit it to DFPD for reallocation of their export quota, as well as monthly release quantity.
 - iii. Requests for export swapping may be shared on **sugarexport25-fpd@gov.in** from the email ID registered on NSWS portal or the authorised email IDs of both the sugar mills. Requests sent on any other email ID of DFPD or DSVO shall not be considered.
 - iv. The export quota exchanged with monthly release quantity shall be adjusted by the end of current sugar season 2025-26 i.e. till 30.09.2026. The monthly release quantity against the export quota shall be adjusted beginning from the release for the next month after issuance of exchange order, in five equal monthly installments. Sugar mills shall apply for exchange of their domestic quota with export quota to the maximum limit of their average monthly release for subsequent five months of last three sugar seasons. For example if a sugar mill exchange its export quota in the month of March, in the instant case, the average domestic release shall be calculated from April-August during the last 3 sugar seasons.
 - v. DFPD will issue orders for exchange of export quota with domestic quota on fortnightly basis.

- vi. Exchange of export quota with domestic quota once permitted will not be reversed.
- e. The custom authorities to ensure that sugar will be exported by sugar mills / exporters / domestic refineries on the basis of export quota allocated to sugar mills on furnishing the instant order, agreement between the sugar mill or merchant exporters / refinery & factory invoice indicating dispatch of sugar from the sugar mill to whom quota has been allocated. However, in case of group sugar mills, sugar can be exported from any mill of the group by furnishing a bi-partite / tri-partite agreement between the source sugar mill (from where sugar is being lifted for export), sugar mill to whom export quota has been allocated and merchant exporter/ refinery. Any change in the export quota due to surrender or exchange of export quota with domestic quota of any other sugar mill will be published on the website of Department of Food & Public Distribution fortnightly.
- f. Exporters/ sugar mills/ refinery can export only the export quota quantity allocated to sugar mills; and sugar purchased from open market or from domestic quota of sugar mill is not allowed to be exported by any sugar mill/ exporter/ refinery.
5. Since, raw sugar is either directly exported by a sugar mill or after value addition of such raw sugar by refinery or a mill having a refining capacity and thereafter, it is exported in the form of refined sugar, therefore, customs authorities may allow export of such refined sugar by the refinery / sugar mill/exporter provided that the quantity is within the export quota allocated to a sugar mill. For this purpose the raw / white sugar manufacturer, the sugar refinery & exporter shall enter into bi-partite / tri-partite agreement.
6. Those sugar mills which have violated the policy guidelines issued by the DFPD order No. 5-1/2024-SC (386427) dated 28.03.2025 for action to be taken against violation of monthly stockholding limit orders for sugar are not being allocated any export quota during current Sugar Season 2025-26.
7. The sugar mills, whose swapping quantity against the export order for 2024-25 sugar season is yet to be adjusted, shall not be considered for swapping till the adjustment of such quantity.
8. The supply of sugar, by sugar mills to Special Economic Zone (SEZ) refineries up to the extent of export quota as per the instant order will be considered as export.
9. The export of sugar under Advance Authorization Scheme (AAS) may continue as per existing provisions.

10. Where DFPD is of the opinion that it is necessary or expedient to do so, it may, by order and for reasons to be recorded in writing modify any of the modalities for export of sugar.

11. All sugar mills need to upload details of export of sugar on P-II form on DFPD portal namely 'NSWS' on monthly basis.

12. Any violation of the above-mentioned guidelines or breach of quota will attract strict action against the concerned sugar mill/exporter/refinery under the Essential Commodities Act 1955 and the Foreign Trade (Development & Regulation) Act 1992.

Yours faithfully,

(Suresh Kumar Nayak)
Deputy Secretary (Sugar)
Ph-011-23380266

Copy to:-

1. Chairman, Central Board of Indirect Taxes and Customs (CBIC), Department of Revenue, Ministry of Finance, North Block, New Delhi.
2. DGFT, Ministry of Commerce.
3. Principal Secretaries in charge of sugar in all sugar producing states.
4. Cane Commissioners/ Directors of Sugar of all sugar producing States
5. ISMA/NFCSF/AISTA
6. All Sugar mills

Annexure
